

## The Floral Marquee and Plant Village

The BBC Gardeners' World Live Floral Marquee and Plant Village are spectacular to behold! As the largest selling Floral Marquee in the country, visitors know they're going to get an out of this world shopping experience, with an unprecedented variety of plants available to them and expert nursery owners available to talk to for advice and aftercare recommendations. In 2019 visitors will find over 100 places to shop, with dazzling displays and top-quality plants. Immersing visitors ever further into a world of plants, in the Floral Marquee you'll find **The Plant Experts** including **Lucy Chamberlain** and **Professor David Stevens** on hand for one-to-one advice, **Jim Buttress** hosting demos from nurserymen as well as the TV presenters at the **Demo Bench**, and the all-new **Pyramid Stage** sponsored by Westland Horticulture presenting specialist demos regularly throughout each day.

Every year the Show brings in new exhibitors, carefully selected to ensure the best cross section possible, of quality plants for visitors to browse and buy. See overleaf for the full list of floral exhibitors. New to the Show this year, in the Floral Marquee and Plant Village are:

- G&K Carnations
- Jurassic Plants
- Sienna Hosta
- Simply Succulents
- Somerset Sweet Peas

### THE PLANT PYRAMID AND PYRAMID STAGE

The **Plant Pyramid**, supported by Peter Seabrook with The Sun, returns to the Floral Marquee as one of the wonders of the gardening world! New this year it includes four new satellite pyramids playing host to a display of over **three thousand plants**, all new introductions for either 2018 or 2019.

Set alongside this homage to new plants, the brand-new **Pyramid Stage** features a packed schedule of informative talks and demos from breeders who are contributing to the Plant Pyramid, gardening experts from Westland Horticulture, our Pyramid stage sponsor, and demos from the British Florist Association. Local Garden Centre staff including Fresh at Burcot will also be in attendance.

Plants appearing on the Plant Pyramid in 2019, with more to be confirmed:

- |  |   |
|--|---|
| Gerbera Garvinea 'Sweet Sunset' (Florist)                      | Pelargonium x hybrid 'Calliope Hot Pink' (Syngenta) |
