CHECKLIST

Please make sure your completed form is returned with the below documents:

- 100-150 design explanation – this should include the inspiration and story behind your design, along with the title of the garden.
- Scale plan of your garden – showing the garden from above, to scale and with measurements and key.
Please also make sure you indicate the sides which you would like the garden viewed from.
- A perspective drawing – showing a view into the garden
- Elevations plan with details of excavations – showing key excavation depths and elevation heights
- Preliminary planting plan with key structural plants – this does not need to be definitive as we understand that plants may need to be changed through the build up to the show.
- Any other relevant details for example; buildings, sculpture, water etc.

Depending upon your design, we may require you to send through the following after receiving your application:

- Elevations plan with details of excavations – showing key excavation depths and elevation heights

SHOW GARDEN COST ESTIMATE

Name of person completing the form	
Company	

This information is required to demonstrate that the costings below are realistic with regards to the materials and plants specified in your design and the associated build costs.

N.B. this information will remain confidential between applicant and the organiser.

Item	Costs (£)
Excavations	Please note, we have onsite plant which will take care of your excavation and will be onsite throughout the build. Unloading, moving pallets, tree planting of large specimens and machine work including positioning and holding is also included with the onsite plant. There is no cost to you associated with this.
Hard Landscaping – paths, foundations etc.	We are working with Marshalls who are happy to donate free of charge any materials from their domestic range towards each garden. These can be retained by the contractor post show
Water & Electrics	There is no charge for water onsite. There is no mains electrics during the build, so gardens will need to bring generators. However, if you require electrics for the show open, this is possible but there is a charge involved.
Buildings	
Boundary walls, screens etc.	
Features, including statuary	
Plants & planting materials	
Labour	
Plant & Machinery	
Finishing touches (this should include rope and post)	We are working with Rolawn who are happy to donate free of charge their lawn and any topsoil from their range towards each garden.
Clearance of site	Each garden will be asked for a £400 refundable deposit which will be returned to the exhibitor upon inspection and sign-off of the site. The Show Organisers will arrange grab lorries and skips for all gardens and will minus from the deposit the agreed cost for the amount of skips/grab lorries that the garden requires. The Site Contractor will demolish construction except any items that you may want to recycle or donate
